TERMS & CONDITIONS

- Verify all customer details, product/service descriptions, quantities, unit prices, taxes, and totals before issuing invoices.
- Generate and send invoices within 24–48 hours of product delivery or service completion.
- Use a consistent format with sequential numbering, invoice date, company details, and customer details.
- Clearly state payment terms (e.g., Net 30), including late payment penalties or early payment discounts.
- Store all invoices securely for 5–7 years, restricting access to authorized personnel only.
